SERTOMA KIDS 2025

With your support, we helped more children connect and be heard in 2025!

- 130 patients served (80% increase from 2024)
- 2,749 visits (70% increase from 2024)

CLIENT PROGRESS

- Increased access to alternative communication for our nonverbal clients
- Improved speaking skills, vocabulary, and understanding
- Increased friendships and connections amongst peers and between families

PARTNERSHIPS

- Increased prescence on social media with weekly posts and increased our followers to 923
- Imporved our service delivery with updated materials and technology provided by our generous supporters and donors
- Working partnerships with Children First and Building Skills Occupational Therapy

LOOKING AHEAD TO 2026

- Our mission continues to be to provide accessible and affordable speech and language services to families in our community.
- We will work to increase our reach in the community by expanding services, increasing group activities, and parent/caregiver training and education.
